Re: Consultant Prequalification

The Consultant Prequalification Initial Prequalification Application submitted on 11/5/2018 has been reviewed by this office. Your firm has been prequalified to provide consulting services to the Indiana Department of Transportation (INDOT) in the work groups listed on the attached Work Type Certification, effective 11/29/2018. This approval supersedes any previous approval for prequalification, but is subject to revision or modification in accordance with the most current edition of the INDOT Consultant Prequalification Manual. Your Financial approval will expire on 06/30/2019. Your General/Technical approval will expire on 11/30/2020.

Your firm's annual contracting capacity for the Limited Services Level is \$150,000.00 for the fiscal period that ended on 12/31/2017. Under the Limited Services Level, your firm is approved for lump sum or negotiated billing rate agreements.

Your firm's annual contracting capacity for the Unit Price Services Level is \$2,168,368.00 for the fiscal period that ended on 12/31/2017. Unit Price payments are only allowed for certain work types.

You may submit a Financial Modification Application through PSCS to request one of the full financial levels; CPA Audit, Cognizant Audit, or Self-Certified. Full financial level submissions will be reviewed by INDOT's External Audit Section.

You are required to submit a modification application in the event of any changes in firm ownership, firm address, form of business entity under which the firm operates, manpower significant enough to affect the firm's qualifications or capacity (or operations of laboratories, facilities, etc.), financial status (such as filing for bankruptcy), or any other change which affects an element INDOT considers when prequalifying a consultant. The Consultant must notify INDOT within 15 days of any change in the information provided in its Prequalification Application and to submit a modification application in a timely manner. Failure to submit a modification application within 15 days after the initial notification will result in the loss of the Consultants Prequalification Status.

Please contact Mr. John Leming, Prequalification Research Analyst at 317-234-4917 if you have any questions.

Respectfully,

A handwritten signature in blue ink, appearing to read "Jose M. Murillo".

Jose M. Murillo, P.E.
Prequalification Engineer
